Yehuda and Avi,

The attached CRADA has been signed by our acting laboratory director Dr. Tim Watkins and is ready for your review and signature. Once signed by Mr. Pasik, please scan and return to me via email. I'll make certain you and the others on this email receive a copy of the fully executed document. Unfortunately, I do not have Travis Lucas' email address so please forward this email to him.

Feel free to contact me if you have any questions.

Best regards,
